

Free Chipping for Cambria Residents!

Reduce your fire risk by reducing combustible vegetation around your property.

Be Ready for Chippers by **Friday, 3 July 2020**

Sign up now for free chipping during the Summer Fire Safe Community Cleanup and Chipping Event.

Please position your materials for chipping by, **Friday, 3 July 2020**.

The SLO County Fire Safe Council contracted crews, with support from Cambria Fire Safe Working Group, CSD Fire Department, and Cambria Community Emergency Response Team (CERT) will conduct a chipping of your registered and tagged brush piles.

This is a free event for Cambria Residents to help make your home and community safer.

Please email information below to CambriaCERT@gmail.com by 3 July:

- **Your Name:**
- **Contact#:**
- **Email:**
- **Address:**
- **Chipping pile address if different:**

Alternately you can call 1-805-900-5152 and we (CERT) will take your information or you can leave a call-back number.

Pick up your pre-cut flagging tape no later than 3 July at the front door of the Cambria Fire Department at 2850 Burton Drive. (805) 927-6240. Registered residents will receive email when tape ready.

Thank You!

Criteria:

- Materials must be less than 5 inches in diameter and no longer than 7 feet.
- Chipping pile must be marked with red flagging tape (available for free at the Fire Station) and **placed on your property near road by 3 July**. This will allow time for route planning before chipping starts on 6 July.
- Only limbs and like material may be chipped. No grass, leaves, pine needles, sawed lumber or building materials.
- Chipped material will be collected in a transport for removal
- If your pile for chipping is larger than a Small SUV then please contact us ahead of time.
- Sorry, we cannot schedule a precise time for arrival.
